The Gardens

INSPIRATION LOOK BOOK

The background image shows a rustic wedding reception. Long wooden tables are set with white plates, glasses, and folded napkins. Tall, thin white candles in holders are placed along the tables. Centerpieces consist of white roses and greenery in clear glass vases. The room has a warm, wooden interior with exposed beams.

THE GARDENS

An idyllic spot for a relaxed country wedding, The Gardens' romantic tipis and landscaped gardens make for an unforgettable wedding venue. Suiting a range of themes and style, here are some ideas for beautiful looks we can create at The Gardens.
